German Patent 197 23 090 A1 (Reference AC) was cited in the International Search Report for International Application PCT/EP2004/051563 mailed March 18, 2005.

German Patents 198 00 953 C1 and 198 20 684 A1 (References AD and AD, respectively) were cited in the June 24, 2004 Office Action from the German Patent and Trade Mark Office for which an English translation is provided.

/Brian Stevens/

The following document(s) is/are listed in accordance with the duty of disclosure provisions of 37 CFR § 1.56, so that the Examiner may consider same should he deem any thereof to be material to examination of the subject application.

It is requested that the Examiner acknowledge his consideration of document(s) below-listed by initialling same in the space provided adjacent each such application and that the Examiner sign and date this form at the bottom thereof to confirm such consideration having been given.

This submission in no way represents an admission that any of the information listed herein constitutes prior art with respect to the subject application; and unless and until such prior art status is established, this submission is not a request that the information presented herein be printed on the face of any patent issuing from the subject application in which this information is being filed.
